I believe that the Mardi Gra board should have more representations from the Trans and Gender Diverse community. I am an active member of the Trans community since transitioning almost 30 yrs ago, and I use my standing in the corporate world to influence to effect change and continue the fight of equality in the workplace. I am a strong advocate which promote visibility and awareness of Transgender and Gender Diverse matters in the greater community. I bring over 3 years community board and NFPs experience.

Katherine is an experience Senior Project Manager who is a member of the Complex Programme Management practice within IBM. She is highly respected in IBM as well as the corporate community as a person who can deliver projects without the compromise of quality.

As the former president of the Sydney Gay and Lesbian Business Association (SGLBA) Katherine will bring over 3 years community board and NFPs experience. In addition, Katherine was the first trans woman to be President of the SGLBA. Under Katherine's leadership, some of the key achievements of the SGLBA have been:

- Restructured the organisation
- Move networking events to venues that were more inclusive
- Launched the new Membership Benefits Table
- Put in place an agreement between SGLBA and Mardi Gra
- Lead the change to return the members the right to decide who leads the organisation

Prior to being President Katherine served as Vice President to the SGLBA where she lead the governance committee.

Also, as a trans woman, Katherine is seen as a driving force in the trans community – including increasing visibility and leadership over the last past 15 years. It will be through this leadership that Katherine will be able to provide the gender balance to board.
